Sundays 10:00 am-11:30 am**

Feb. 9, 2025- Arctic Animals

Explore the frozen world of creatures that call the Arctic and Antarctic home. How do they do it! Make a cool craft with your preschooler to take with you!

March 30, 2025 -Mini vs. Mighty

Investigate the largest things in the ocean and the tiniest things and how they interact! Fun facts about them and who eats who! Make a mighty craft to take home!

April 27, 2025 -Migration Explorations

What is migration? Come explore the animals near the shore that migrate! How do they know where to go and why do they go there? How do they know when it's time to move and how do they make their way back? Just a few questions we'll discover answers to as we learn about and touch some live animals, take a migration walk and make a craft on the go!

Jr. Marine Biologist - May 18 or June 8 or Aug. 3

Looking for a unique way to spend time with your preschooler? Join us for a fun-filled two hours as you and your child learn about the marine environment. This very special program includes hands-on time with live marine animals, beach activities, and a craft. This is a great way to introduce your child to marine ecology!

This is the same class offered multiple dates, runs 10am-12pm.

Cost/Per Program:

\$28/child and 1 adult (each additional adult is \$5)

Space is limited and tickets must be purchased online before the program.
