

Suffolk County Police Department
Law Enforcement
EXPLORER

**Join the Suffolk County Police Department Law Enforcement
Explorers Program Today!**

Our program consists of training, community service, practical experiences, character development, physical fitness, life skills, leadership opportunities and exposure to multiple law enforcement careers.

Explorers are empowered as agents of positive social change by participating in various community events in which they support the diverse communities they live in. They conduct community service, provide crime reduction and prevention materials to the public, as well as learn about civic responsibilities and the law enforcement profession from Police Officers who act as advisors. Explorers are taught about ethics, drug prevention, defensive tactics, report writing, radio communications, patrol procedures, law, and crisis intervention among many other topics.

Explorers meet twice a month for regular meetings on a weekday evening.

In order to become a member you must be within the ages of 14 (and have completed the 8th grade) and 20 years old.

To find out more information please contact your local Precinct Post.
